Mark and Gail,

Can you both work together on this and find out the status of our response to each of these governor's letters and send to me, asap? HQ's is getting pressure to get response letters sent.

Subject: Governor's Correspondence

Hi Monica, I wanted to introduce myself, I have taken over Tony Raia's responsibilities for the care and feeding and tracking of governors correspondence.

Also to alert you that Governor Mead is on a roll, and hoping you could help me track down some of these letters. I know Trish Botkin has her hands full and perhaps can't push. The first three letter have had extensions, and I am now getting heat about them. Could you help me out? Please give me a call if you have any questions. Thanks so much.
